

**Dear Seeker of Something Beyond the Daily Grind:**

*Every day*, they got up in the morning, did their work, whatever...  
*Every night*, they went to bed bonetired and all stressed out... *Every once in a while* , they'd sigh and say...

**"There must be more to life than this..."**

But one fine day, Betty and Tom said "ENOUGH!"...

**And woke up in paradise...**

And so can you! In this special report, you'll discover nearly a dozen impossibly perfect places where your dreams can come true, not someday but today...

**WE'VE PROVED IT FOR OVER 20 YEARS**

**A blissful international lifestyle isn't just affordable, *but highly profitable***

◆ IN 1983, INTERNATIONAL LIVING TOLD READERS to consider Costa Rica. Back then you could buy a 2-bedroom home in San Jose for \$19,500. Now those homes sell for up to \$200,000.

◆ A BIT LATER, WE STEERED SUBSCRIBERS to a special area on the southern coast of Spain, where you could buy a beachfront villa for \$30,000. Today that place would sell for about \$250,000.

◆ IN 1987, WE SUGGESTED INVESTING in Acapulco, when you could grab a quarter-acre lot on the beach for \$950. Now it would sell for about \$75,000 - a return of some 40% every year.

◆ IN 1990, WE WHISPERED WORD of deals in downtown Dublin. It was considered a backwater then, but after the "Celtic Tiger" homes that went for \$45,000 then sell for \$250,000

◆ IN 1992, WE SPILLED THE BEANS about beautiful islands off Honduras where beach homes sold for a mere \$15,000. Today, you can't buy there for under \$150,000. That's a return of 33% a year.

◆ WHERE IN PARADISE is the smart money running to now? Why simply guess, when the world's most successful experts will tell you for FREE in this special report. (See page 13 for the secret paradise where you pay no income tax, no capital gains tax, not even any sales tax!) Then...
