

**In just 4 days you'll learn
offshore strategies that will
help
protect your wealth for a
lifetime**

Wednesday, May 16: The pre-conference begins at 3:00pm focusing on the A-Z basics of the four offshore building blocks every investor should know about. That evening at our poolside cocktail reception, you'll meet our distinguished experts as well as fellow members.

Thursday, May 17: After breakfast at the hotel, you'll spend a full day in the seminar. During the day you'll learn more about:

- The world's best government guaranteed precious metals program and why there has never been a better time to seize this

potentially lucrative investment opportunity.

- Fantastic real estate opportunities in some of the most idyllic offshore Edens...from bargain beach-front lots in Belize to dream homes in the sunny Bahamas.
- How to make use of a little-known Caribbean haven's economic citizenship program to gain greater financial freedom.
- Forbidden investment opportunities you can take advantage of using an offshore bank account.
- The future of the Euro and what that means to you as an investor.

Friday, May 18: After breakfast at the hotel, you'll spend a second full day in the seminar. Today you'll learn more about:

- The 5 reasons why the U.S. dollar is back on track to continue it's long-term

decline...and ways you can protect your assets from this depreciation.

- New ERA-type annuities which come with a unique currency switching and management features that can boost your returns.
- 6 powerful reasons why there has never been a better time than NOW to go global with your investments.
- A simple way to get tax-deferred earnings, guaranteed profits and financial privacy.
- Revolutionary funds that you can use to hedge your portfolio against a volatile market...you won't hear about these from your domestic broker.

You'll also have ample time to visit our exhibit hall and personally meet with our experts on how to best achieve your financial privacy and significantly increase your overall profits.

We'll end the evening with a Bahamian style cocktail reception hosted by Banque SCS Alliance at their beautiful Nassau headquarters.

Saturday, May 19: After breakfast, we will immediately start our seminar. Highlights of the morning program include:

- The safest, easiest and 100% legal ways to move your money and your IRA offshore.
- Ways to structure your financial affairs to minimize your tax burden.
- How to use an International Business Corporation to invest and do business anywhere...while legally piling up your profits.
- We'll wrap up our morning session with a Q & A panel discussion with five of our experts.

The rest of the afternoon is devoted to small,

interactive workshops. You'll be able to meet with individual speakers in a more intimate group and have your specific questions answered. The workshops will run concurrently and at multiple times so you can choose the sessions that fit your needs.

Sunday, May 20: After breakfast, we will have the rest of the morning set aside for workshop sessions. This is your last chance to meet with our experts, visit our exhibitors and learn all you wanted to know about the best and latest offshore strategies.
