

Here are the stocks the system picked, so you can see for yourself...

### **Trial Portfolio for 2000**

<b>Company</b>	<b>Jan. 2000</b>	<b>Jan. 2001</b>	<b>% Gain</b>
Marriott	\$30.50	\$42.25	38.52%
Albany Molecular Research	\$14.25	\$28.50	100.00%
Blackrock	\$15.88	\$42.00	164.48%
CDW Computers	\$33.91	\$52.93	56.09%
RehabCare	\$10.53	\$33.87	221.65%
Network Appliance	\$42.50	\$86.53	103.60%
Priority Healthcare	\$17.57	\$13.12	-25.33%
Siebel Systems	\$42.09	\$60.43	43.57%
<b>Average gain...</b>			<b>87.82%</b>

Only one of the chosen stocks lost money. Four of them were genuine home runs (triple-digit), and all of the others experienced solid double-digit returns. Not bad for one of the worst stock market years in history!

At that point, I realized that we had a new and extremely powerful stock-picking tool in our hands-one that was ready to be shared with our more financially astute members.

### **Earn Triple-Digit Returns Even In The Worst Markets**

I'd like to show you why this system works, and how you can use it yourself to reap high returns against the odds. And while we're at it, I'll also tell you the best way to take advantage of the system with as little time and effort on your part as possible.

I promise you...what I have to tell you in the next few pages will change the way

you invest forever. In fact, by the time you've finished reading this letter, you'll be better equipped to protect your investments, and outperform the market in the coming year-and every year to follow.

Not only will you know how to recognize and cash in on the fastest growing stocks at any given time-and reap phenomenal returns-you'll also know how to avoid ever buying losing stocks again.

### **Know How To Always Spot The Money-Making Stocks**

Stock market history shows one thing very clearly-there are always opportunities to make money, even when the overall market is falling.

Let me give you a quick example. In the first three months of 2001, the Dow fell by 8.43% and the NASDAQ fell by 25.51%. Yet, you could have made handsome profits during that period by buying stocks such as...

Oregon Steel Mills...	up 380%
Perini...	up 142%
Activision...	up 60.74%
Racing Champion...	up 169.33%
Freeport-McMoRan Copper & Gold...	up 52.4%
Quaker Fabric...	up 107.8%
Standard Commercial...	up 73.3%
Ikon Office Solutions...	up 130%
