

"Get this treasury of the year's best herbal healing secrets - written by the herbalist I trust most."

- Jonathan V. Wright, M.D.

Dear Reader,

I'm writing to you now to formally introduce someone whose name may sound familiar - and to offer you a brand new opportunity to get all of this past year's best herbal healing secrets in a comprehensive volume that will surely prove to be a valuable addition to your personal health library...

But first thing's first, as they say. My colleague's name is Kerry Bone, and in many issues of Nutrition & Healing, he's provided you his considerable wisdom in the specialized field of herbal medicine. When it comes to botanical cures, I've never met anyone, in my 30+ years of practice, who has more expansive and impressive knowledge than Kerry. And every year, he finds ways to educate me and my readers about new herbal therapies from around the world - greatly expanding upon the "known universe" of alternatives to the mainstream's drugs.

For years, I've been using Kerry's pioneering recommendations to treat and cure hundreds - even thousands - of patients at my Tahoma Clinic. These herbal miracles can benefit you, too - by helping to combat conditions like:

- Colds and Flu
- Diabetes/Obesity

- Depression/Anxiety
- Chronic Fatigue Syndrome
- Back and Joint Pain
- Varicose Veins, Edema, and other circulatory ailments
- And many more!

Now, I want you to have all of Kerry's powerful herbal secrets from the past year of Nutrition & Healing right at your fingertips - in a single handy, health resource you can refer to over and over again...

**You won't find these botanical wonders at
your doctor's office - but you'll discover them
all in this special collection...**

When health problems arise for you or your loved ones - you'll find the solutions in seconds with this comprehensive reference source entitled The Best Herbal Healing Secrets of the Year, Volume I. And armed with Kerry's herbal wisdom, you'll be able to find relief from, or even cures for, a whole host of common health concerns - even after your conventional doctor says "You'll just have to live with it..."

I know, because I put these herbal miracles to work for people just like you in my own clinic every day. And because Kerry's most groundbreaking recent contributions to Nutrition & Healing are now available to you in Best Herbal Secrets, you can start using the same safe, effective botanical therapies I prescribe to my patients to keep yourself healthy, vigorous, and feeling young. Breakthrough treatments like these:

**Heal yourself without drugs - using the proven
herbal therapies this natural-health "guru"
has taught me all about...**

I'm so confident that Kerry's proven therapies will help you stay healthier, more drug-free, and feeling younger than you would ever have dreamed (or than your regular doctor would have told you), that I'm backing The Best Herbal Healing Secrets of the Year, Volume I with a 60-day money-back guarantee. That's right, order now and you can keep the report for two full months, risk free...

Remember, I consider Kerry Bone to be the world's foremost expert on herbal cures - and I feel privileged to be able to offer you the best of his wisdom from the past year in this revolutionary guide to drug-free good health. I'm sure that The Best Herbal Healing Secrets of the Year, Volume I will help you stay active, pain-free, more vigorous, and resilient. And I've made sure that you risk nothing by trying it...

Especially not the side effects you're used to suffering with prescription drugs.

Yours truly,

Jonathan V. Wright, M.D.
Editor, Nutrition & Healing

P.S. Over the years, Kerry Bone has proven himself to be the medical world's No. 1 authority on safe, effective botanical alternatives to risky drugs. Otherwise, I wouldn't trust him to recommend them to you. So if you're tired of mainstream treatments that don't work - or leave you tired, listless, dizzy, or in pain - get your own copy of The Best Herbal Healing Secrets of the Year, Volume I now, it's only US\$19.95 plus \$3.00.

P.S.S. Herbalist Kerry Bone - Dr. Wright's right-hand man in the search for safe, natural cures

Kerry Bone is a practicing herbalist with 17 years' experience. He currently serves as Principal of the Australian College of Phytotherapy and as founder and head of Research and Development at MediHerb, an Australia-based company dedicated to finding, researching, and producing safe, effective herbal therapies for physicians and their patients. A member of the National Institute of Medical Herbalists, he is also currently Chairman of the Herbal Task Force, an Australian government-industry initiative.

Regularly published in Australia and several other countries, Kerry's standing as an expert herbalist was acknowledged by his appointment in 1990 to the Traditional Medicines Evaluation Committee of the Therapeutic Goods Administration.

Kerry's professional text Clinical Applications of Ayurvedic and Chinese Herbs is now in its fourth print run - and his recent collaboration with English herbalist Simon Mills entitled Principles and Practice of Phytotherapy was adopted as the No. 1 herbal text book at US naturopathic colleges as soon as it was released. And it has already sold more than 12,000 copies worldwide.

An experienced research and industrial chemist before studying herbal medicine full-time in the UK, Kerry has been in regular communication with Dr. Jonathan Wright for over five years since becoming a contributor to Nutrition & Healing.
