HOW TO RUN AWAY
to the World's Most Beautiful and Affordable Edens.

Oh yes, you can run away from it all, escape everything that bothers or bores you, and live like nobility for less than half what you're paying to muddle through at home. Here are full details about the world's most beautiful places to begin a dreamlike new life, have a grand adventure - or find the ultimate vacation home, for less than a tenth what you thought it might cost. Everything you need to know to do it..

World's #1 paradise to reinvent yourself. Spectacular scenery, booming economy, ideal climates, top notch healthcare, and they speak English Yet prime properties can cost under \$1,570 per acre and your dollar buys twice the lifestyle. You can do it! Just follow these step-by-step directions. .

This beachfront rivals Malibu of 100 years ago, yet you can own

your own piece of it for less than you paid for your last car! Here's how to buy without getting burned. .

Pacific vistas so pristine, wild horses gallop through the breakers, yet it costs you 5 times less than you might pay even in Costa Rica. Where and how to purchase the best new homes for a song. .

Caribbean's best-kept secret. An undiscovered jewel where British buccaneers once hid out. As affordable as the Bahamas of 30 years ago - and unspoiled! .

Better than a fairy tale. In the Europe of Good King Wenceslas, just miles from one of Europe's most beautiful cities, historic cottages (fully restored!) may be had for \$8,300. Here's how!

HOW TO RETIRE TO PARADISE *Twice as Rich and Five Times Happier*

Everyone else is advising retirees to relocate in Costa Rica, but International Living readers were onto that 20 years ago! Now homes there are selling for 10 times the price our readers paid. Let us show you how to retire like royalty in the next Costa Rica... .

Our #1 retirement Eden for the new millennium lets you pick your style of paradise. Choose a mountain retreat that rivals Estes Park, Colorado (but with temps in the '70s all year round!)... or white sand beaches with secluded coves, turquoise waters... or the hemisphere's most affordable First World, cosmopolitan city... they're all in this

perfect country where you're suddenly twice as rich or richer! Learn how to move here, where to buy, what to pay, who to contact - all the details.

Hire a full-time maid and gardener for a handful of dollars a day...buy a luxury home in a gated golf community for \$50 a square foot... even nab your own coffee plantation for \$500 an acre, if you like. Even if your nest egg got flattened, it's suddenly fatter than ever here. Just do as described.

World's most mind-boggling benefits for "pensioners" Price in this paradise are incredibly low anyhow, but here's how to qualify and register for additional discounts up to 50% on dozens of essential goods and services (including your home closing costs).

Probably safer than back home too - the safest place in all of Central and Latin America, according to the Pinkerton Global Intelligence Agency. So do let us send you complete details how to retire here, FREE!

Don't want #1? Take your pick of the 29 runners up! Carefully evaluated and scored for natural beauty, climate, real estate prices, cost of living, health care, culture, safety and more!

HOW TO EARN 500% OR MORE
Outside the Stock Market

Today's most amazing real estate bargains are not within U.S.

borders, but they are available to virtually any American. Let us share full details about how to double, triple or even quintuple your money by speculating in 3 of today's most undervalued Edens.

Like Paris, but 1/6 the price. This world-class city not only looks and feels like Paris - values here are comparable to Paris after World War II. A classic "crisis bust" recently bottomed out here, leaving speculators with an historic opportunity. Let us show you how my own husband, Lief Simon, just purchased 2 magnificent apartments here for a pittance.

4,000 miles of gorgeous coastline where large beachfront lots start at \$1,117...and a six-bedroom house with Jacuzzi and sauna was recently selling for \$50,200. Amazing? But true! See for yourself !

Mexico's most undervalued "sweet spots." Here are the secret mountain hideaways...beautiful beaches... jungle retreats... charming colonial cities... that we believe will grow to rival Guadalajara and San Miguel de Allende. Buy here now to retire later - or sell later to finance your retirement!

BETTER THAN BURIED TREASURE

International Business Opportunities That Could Make You Rich

Take the ultimate shopping trip and make it pay for your next vacation. Hey, it could even pay for your next life! Let us show you how to set up your own business in the world's #1 land of opportunity...

A staggeringly beautiful land with a perfect climate, friendly people - and labor costs so incredibly low, you'd have to try hard not to make money here! So many opportunities, this was the only nation whose stock market posted triple-digit gains in a year when nearly about every other market crashed.

Quite a few of our readers have already established businesses here in import/export, tourism, and real estate development. We'll share the secrets that allowed them to set up business here for so little.

And fantastic real estate sells here for as little as 15 cents a square foot, so living in style is amazingly inexpensive. One of our readers just paid \$34,000 for a new home on two gorgeous acres...and his caretaker cleans the home, waters the plants, does the yard work and more, all for \$35 a month! Let us show you how to do it too.

STAY IN TOUCH FOR NEARLY FREE
No Matter Where You're Living

So many readers tell us "If only I had known then what I know now. I could have saved myself so much money and trouble!" So here, in one convenient place, are all of their cagiest secrets for keeping in touch with family, friends, business contacts and finances. Now you'll be up to speed instantly as you...

Call anywhere in the U.S. from overseas for as little 1.2 cents per minute. Rates vary by country, but this secret alone could save you

hundreds of dollars on your next trip, or thousands if you're living overseas.

Then get a U.S. phone number that "finds you" wherever in the world you happen to be. Rings at a local phone number in the city of your choice - and even delivers voice mail!

Send faxes from anywhere to everywhere, as many as you like, at flat rates as low as \$12.95 per month.

Check your email and surf the Internet as often as you like, without even making a long-distance call.

Maintain a "virtual" U.S. address for all your bills, magazines and personal mail from the States. Then have it automatically forwarded to you overseas, minus the unwanted junk mail.

Plus get all your bills paid on time, keep an eye on your 401k and IRA, manage your credit cards and more, all for minimal money or free!

International Living's
TOP TRAVEL SECRETS OF THE YEAR

Best NEW secrets for getting the lowest airfare every time. Don't settle for that "low fare" from travel agents or Internet sites. These little-known tricks from our network of international travelers let you pay hundreds less, half as much or nearly nothing. Discover how one

of our own staff flies to Italy for six cents...or Paris for \$7.50. Download this secret software to secure lower prices online. Use overseas "bucket shops" and foreign newspapers to lower your fare by two-thirds...much more!

Finest lodging for free (or a pittance). Want your own flat in London's charming Chelsea district... an apartment in the heart of Venice? Use these secrets and trusted sources to arrange a home swap half way around the world - or get unheard of rental deals from other IL readers. (One reader even offered an entire Caribbean island for less than you'd pay to stay at a modest hotel.)

Savor expensive countries at the same low prices the locals do. Let the director of our Paris office show you how to do Paris like a local, eat better and get treated wonderfully, all for far less. And never, ever rent cars in these places until you check with this firm (can save you \$100 a week)!

Ultimate travel adventures of the year! Yes there is a real Shangri-La - a secluded valley concealed by some of the world's highest mountains, where something makes people so healthy that folks in their '80s and '90s bound around like so many mountain goats. Or imagine canoeing down the Amazon to your tree-house hotel in the Brazilian rain forest... exploring forbidden lands like mysterious Burma... visiting the sacred "lost city in the sky," Machu Picchu.... or gazing two miles down into the deepest chasm on the planet. Let us show you how to get there, what to do, where to stay, what to avoid!

Begin your own grand

adventure now...

Frankly, most people never do. They're stuck in the mud of dull routine. They keep saying "someday"... And someday, they die without ever busting free of life's self-imposed borders.
